**UPDATED JOINT CASE MANAGEMENT
STATEMENT ; ORDER**

Date: March 4, 2009 (telephonic)
Time: 2:30 p.m.
Judge: Magistrate Judge Edward M. Chen
Crtrm: C, 15th Floor

Defendant PACIFIC GAS AND ELECTRIC COMPANY ("PG&E") and Plaintiff NORTHERN CALIFORNIA RIVER WATCH ("RIVER WATCH"), in accordance with Civil Local Rule 16-9, and the Case Management and Pretrial Order for Jury Trial submit this Updated Joint Case Management Statement.

As noted at the time of the telephonic Case Management Conference which took place on February 18, 2009, the parties have reached a final, mutually acceptable settlement agreement. As of February 17, 2009, RIVER WATCH had executed the agreement, and execution by PG&E was pending. PG&E executed the agreement on February 20, 2009, so that the agreement is now fully executed and complete.

Under the terms of the agreement, the parties will stipulate to and file a dismissal with prejudice of all claims within 40 days of the effective date of the agreement which is February 20, 2009. Therefore, at this time the parties are unable to file a Stipulation of Dismissal with this Court. However, in light of the existence of a fully executed settlement agreement, the parties respectfully request that the Court remove from calendar the Further Case Management Conference (telephonic) presently scheduled for March 4, 2009.
